

Surviving Inadvertent IMC!

Continued VFR flight into IMC is the number one cause of weather-related accidents in general aviation! Get the "straight scoop" on why these accidents happen, and how to avoid becoming a statistic. Includes a riveting audio recording of a pilot's real-life encounter with inadvertent IMC conditions! Refreshments will be provided, and attendees will be eligible to win a host of door prizes!

Directions: From IL Route 13 west of Carbondale, turn North on Airport Road. The Transportation Education Center (TEC) is on the left side of the road as you enter the airport. Ample parking is available. Seminar will be held in the 1st floor auditorium, Room 197.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASteam) is committed to providing equal access to this meeting/event for all participants.
